Notes:

- Perpetual License:** Purchase of the perpetual license includes twelve months of free software updates and up to 56 hours of e-mail assistance and basic technical assistance. Additional technical support after the 56 hours is exhausted may be purchased as per price schedule (item LSP3).
- Maintenance:** Extends the period of software updates for 12 months, if purchased within 24 months of the Perpetual License.
- Technical Support:** Consists of e-mail and phone support. At the customer's request, on-site assistance can be provided, with travel expenses being charged against the amount (up to 40 man-hours of effort, in the absence of travel expenses). All technical support options are valid for a 12-month period beginning at the date of purchase, and only apply to current versions of LSP.
- 12-month License:** Purchase of the 12-month license includes twelve months of free software updates and up to 28 hours of e-mail assistance and basic technical assistance. Additional technical support after the 28 hours is exhausted may be purchased as per price schedule (item LSP3).
- University Research License:** Available in the U.S. and Canada only. Purchase of this license includes twelve months of free software updates and up to 32 hours of e-mail assistance and basic technical assistance. Additional technical support after the 32 hours is exhausted may be purchased as per price schedule (item LSP3).
